

Best oral presentation award 2013

VLIZ Young Marine Scientists' Day

KHBO, Brugge (15 February 2013)

Kindly find below the alphabetical list of the oral 'pitching' presentations, tick your **top three** and turn in the form when leaving the plenary session room at **12:10**.

	Bekaert Karen Marine biotoxins in Brown crab (<i>Cancer pagurus</i>)
	Bi Qilong (presented by Prof. Dr. Erik Toorman) Modelling of hydrodynamic and morphological processes in the Scheldt Estuary with a new bed roughness model
	Braeckman Ulrike (presented by Carl Van Colen) FLUXMAP: importance of sediment type and macrobenthic functional biodiversity for biogeochemical cycling in the Belgian part of the North Sea
	Burdorf Laurine Electrogenic bacteria leave a unique geochemical footprint in marine sediments
	Buyze Evelyn Compositional changes in the microalgae communities of the Scheldt Estuary: a result of improving water quality?
	De Boeck Gudrun How ancient is the trait that increased levels of plasma ammonia serve as a signal for hyperventilation? A case study in an elasmobranch, the spiny dogfish (<i>Squalus acanthias</i>)
	Devriese Gert-Jan Groundwater flow and saltwater distribution near a gully in the Zwin
	Dulière Valérie A brand new oil spill response tool for Belgium
	Evangelinos D. Buried under the sand: 'Integrated geophysical mapping of ancient peat exploitation at Raversijde beach'
	Everaert Gert PCBs still sticking around
	Hanseeuw Emely All aboard: a valuable use for discards
	Smolders Sven Marsh development in Saeftinghe and impact on storage of storm water
	Soetaert Maarten The impact of Electrotrawls on marine organisms
	Van Ael Evy Biomagnification of persistent organic pollutants in food webs from the Scheldt Estuary (Belgium)
	Van der Stocken Tom The role of wind in hydrochorous mangrove propagule dispersal
	Van Hoey Gert Sediment profile imaging: an added value for Belgian marine research?
	Vanden Eede Sarah An ecosystem approach towards beach spatial planning
	Vansteenberge Stef Genesis and evolution of the Ibiza slide
	Verkempynck Ruben (presented by Koen Mondelaers) What strategic choices do fishermen make?
	Viaene Karel P.J. Oil spills: never mind the droplets
