

Communication on partners' actions

Name and postal address of your institute	University of Greenwich Maritime Greenwich Campus Old Royal Naval College Park Row Greenwich London SE10 9LS UK
Contact Full name : Role in your institute :	Dr. Georgi Djambazov Senior Research Fellow Centre for Numerical Modelling and Process Analysis School of Computing and Mathematical Sciences
Simple text to define your institute's work and missions	Higher Education and Research
Simple text to identify the link of your work with the ISECA project	Atmospheric Modelling – which and how much nutrients are transported and deposited by the air
Simple text to define main topics you are working on and which are interesting for other scientists	Computational Modelling, Numerical Simulations, Mathematical Modelling, Multi-Physics and Multi-Scale Modelling
Videos and photos (copyright free) you have to illustrate your work in the ISECA project.	http://staffweb.cms.gre.ac.uk/~dg12/
