

Dear BeNCoRe partners,

Recently the first call of the 7th Framework Programme has been published. Several topics mentioned in the call might be interesting for the ENCORA network. Job Dronkers, coordinator of ENCORA has prepared a small document highlighting the topics that might be interesting for partners of the European Network for Coastal Research. ENCORA may offer assistance in the establishment of consortia for the different topics. If you are interested to coordinate a project or to be partner in one (or some) of the projects and want to make use of the networking mechanisms of ENCORA please fill in the FP7scheme document and send it back to info@bencore.be.
